

On a dark night, when heavy clouds concealed the moon and the howling wind echoed through the abandoned corridors of the deep catacombs, a power arose that revived the legacy of traditional heavy metal. This power manifested itself in the form of **Tomb of Giants**, a band whose powerful sound and captivating stage presence won the hearts of metal fans.

# Style

**Tomb of Giants** creates a musical style deeply rooted in the traditions of heavy metal yet offering a modern interpretation of these iconic sounds. Their music is a mighty storm that breaks through the speakers, capturing the essence of true metal with energetic riffs, thundering drums, and melodic hooks. With a unique blend of powerful aggression and captivating melody, they create an atmosphere that mesmerizes every listener.

# Journey

The story of **Tomb of Giants** began in 2013 when five passionate musicians came together in Markendorf near **Osnabrück (Germany)** to form a band that would carry on the legacy of heavy metal. Since then, they have tirelessly worked on their music, released their self-titled debut album in 2017 and conquered various stages. Their reputation as an electrifying live band grew steadily and they have already shared the stage with renowned acts such as **BULLET**, **NIGHT DEMON**, **THE IRON MAIDENS** and **SACRED REICH**. In 2023, they released the EP **Legacy of the Sword**, which emphasizes their now harder style and influences from 80s heavy metal.

# Awards and Achievements

The music of **Tomb of Giants** did not go unnoticed and received recognition. In 2019, they secured first place in the Osnabrück band contest „Rock in der Region.“ The press celebrated their charismatic live performance and predicted a promising future for them.

On May 19th 2023, **Tomb of Giants** presented their long-awaited EP, **Legacy of the Sword** to the world. With this release, the band is ready to take their passion for heavy metal to a new level and fill the ears of their fans with the pure energy of their music.

**Tomb of Giants** is ready to uphold the torch of traditional heavy metal and conquer the stages: „We're ready to unleash HELL!“

## New EP: Legacy of the Sword

On May 19th 2023 the band presented their new 6-track EP, **Legacy of the Sword** showcasing their established, harder style and impressive influences from **80s heavy metal**.

Songs like **Soulstealer** revive the glorious days of the **Painkiller-Era**, while other tracks like **Ad Victoriam** and **Berserk** invite to sing along and bang your head.

With this release, **Tomb of Giants** not only demonstrates their deep connection to the genre's roots but also their ability to evolve this traditional music form with their own modern interpretation.

**Legacy Of The Sword** was self-produced by the band, with Jörg Uken from **soundlodge** (u.A. **ANVIL**, **Corvus Corax**) responsible for mix and master.
